**SECTION 2:** This is an Application to become a participant of the NorthWestern Energy Trade Ally Network (NW Energy TAN). The participation requirements are provided below:

A) Information provided on this Application is true and correct to the best of Applicant's knowledge at the time such statements were made. Said information will be listed on the NW ENERGY TAN's Commercial Lighting website and will be used by NORTHWESTERN ENERGY to support the sales and installation of energy efficient lighting projects in the region. If NORTHWESTERN ENERGY grants your application to participate in the NW ENERGY TAN, you will receive an Application Approval Notice via the contact information you have listed here. As a participant in the NW ENERGY TAN, you have an ongoing obligation to update NORTHWESTERN ENERGY of any change to the information that you have provided on this application.

B) Applicant agrees that NORTHWESTERN ENERGY and DNV GL Energy Services USA Inc. (the "Identified entities") are not endorsing Applicant or endorsing or warranting any equipment sold or installation completed by Applicant. Under no circumstances shall the Identified Entities be liable to Applicant or any third party for any direct or indirect losses, costs or damages arising from Applicant's participation in the NW ENERGY TAN or related to any equipment or installation of energy efficient lighting projects, and Applicant specifically indemnifies the Identified Entities therefrom.

C) Applicant is and agrees to represent itself as an independent contractor or business and at no time will Applicant represent itself as an agent or representative of any of the Identified Entities.

D) Applicant shall comply with all laws and maintains all appropriate licenses and certifications for the work they are performing and is solely liable for its noncompliance with said laws, licenses, and certifications.

E) Applicant understands that this NW ENERGY TAN participation agreement may be terminated by the NW ENERGY TAN trade ally or NORTHWESTERN ENERGY for any reason, at any time. Termination is effective upon written notice being delivered to the other party at the address listed for such party in this Application

By signing this Application, I represent that I am authorized to sign this application on behalf of Applicant and that the information provided on this application is true and correct and that I will notify NORTHWESTERN ENERGY immediately of any changes. I acknowledge that I have read, understand and consent to the requirements listed on this NW ENERGY TAN participation agreement.

Please include our contact information on the regional Northwest Trade Ally Network website: <http://northwest-lighting.org>
