Rule No. 18

ESCAPING GAS

- 18.1 Immediate notice shall be given Company by the customer of any escaping gas on customer's premise and/or property. No flame shall be taken near the point where gas is escaping, and, as an added precaution, the gas shall immediately be shutoff at the meter. Company shall not be liable for any damage or loss caused by the escape of gas from customer's house piping nor for any stoppage of the supply. Customer should evacuate the premises immediately until leakage has been found and fixed.
