Jack and Betty's Story

Jack*, an elderly man with heart issues, was no longer able to work. Betty* was working part-time to help pay their bills, but she had a major medical procedure done that prevented her from working until released by her doctor. This couple applied for assistance from Energy Share to help them through this challenging time.

Thank you for helping your neighbors in need!

Your gift goes to work.

Energy Share of Montana is an independent nonprofit organization that helps Montanans overcome energy emergencies. Donating to Energy Share means you help a neighbor who is facing loss of heat or lights. **Since 1983, Energy Share has distributed over \$25 million in emergency bill assistance to over 70,000 families across Montana.** This is thanks to generous supporters like you!

Make your tax-deductible donation today using the pledge form on the back of this brochure.

Your gift helps fellow Montanans stay warm this winter!

Note: If you are already donating to Energy Share through your bill, you do not need to re-submit this pledge card.
Thank you for your generosity!
